Founded June 17, 1961 - St. Albert's 100 Anniversary

November 23, 1963-Vol.3-44

Our old Sturgeon River in the grip of Jack Frost. This was taken from the bridge on Piron Street yesterday morning when the temperature hovered down around -12 degrees.

Statement from Mayor Veness

During the last Council Meeting, Mayor Veness made a statement to the members of Council which we consider very important news for all St. Albert residents. Therefore we are publishing this statement in full.

"On many occasions during my term of office, I have hoped to bring to this Council certain recommendations which I believe must be considered if the Town of St. Albert is to go forward again in the manner envisaged some years ago. I have been restrained in so doing because of those recent events with which we have become all too familiar - petitions, cloudy financial position, investigation, Civic elections, and the unrest amongst our citizens which these events have occasioned.

However, we can now see daylight ahead, and I wish to express my personal appreciation to all members of Council and to all those employees and citizens who have assisted me so wholeheartedly in months past. I believe that we have proved that the people of St. Albert can handle their own affairs in a mature and capable manner, and I earnestly solicit your further co-operation in the days to come.

We have built, within a short number of years, a modern residential community, and provided to it a standard of services of a high calibre - including water supply - sewerage disposal - paved streets - street lighting - and treed boulevards. Our school systems offer the finest by way of plant and instruction, and our public buildings, including the Town Hall, pumping stations, workshops and Fire Hall, are a credit to the Town. All of this has been accomplished without undue strain upon our borrowing power, and in this regard we are in an enviable position. (cont. on page 2

Statement

continued from page 1

Therefore, should our citizens, in public vote, elect to provide themselves with further amenities, there would seem to be no financial obstacle to their attainment. It is our duty, as a Council, to provide the opportunity whereby the people may elect to obtain those facilities which they may desire.

I, therefore, recommend for your consideration the following blueprint for future progress in our Town:

(1) In order that all citizens may gain a better knowledge of the proceedings of this Council, I herewith extend an invitation to all, to avail themselves of that democratic right by attending all public Council meetings. Further, it is my intention to initiate regular informal meetings at which each private citizen will be afford ed an opportunity to discuss ideas and problems with the Mayor and all of those Councillors who are able to attend. Finally, and providing space is available in the local press, I should like to suggest that each elected official from Council contribute, in turn, a column in which views and matters of local interest would be presented.

(2) The time has arrived when we must consider on the broadest possible basis those projects which would afford the greatest variety of recreational activities for the largest number of residents, and provide means whereby the greatest need will be served. We should consider the advisability of laying the groundwork for a recreation centre, giving thought to playing fields, courts, rinks and swimming pools, facilities for instruction in the crafts and group games, and athletic training must be planned. I would, therefore, request Council to authorize the preparation of money By-Laws to cover the construction of the first phase or phases of our recreational facilities, such as:
   (a) Swimming Pool (indoor)
   (b) Covered rink or arena
   (c) The purchase and development of a major recreational site.
   to be voted upon early in the new year.

(3) In St. Albert, certain individuals and groups are striving to foster and encourage the fine arts. On many occasions we have had cause to be proud of their achievements. Again, the basis for a future plant should be laid without delay, and I invite suggestions as to the manner in which this can be best achieved. We must consider location and type of facility - neighbourhood units versus central, auditorium and other similar factors. There should be no delay in promoting a concentrated effort towards an ultimate goal.

Mr. Billings has provided us with a detailed report of our debenture debt as well as our borrowing power, it would appear that our borrowing power is $1,370,000.

I suggest there would be no difficulty in financing these general benefit projects and I ask that you consider this in the very near future.

W. J. Veness
Mayor.

Assuming that the Town's net live assessment for taxation purposes 1964 will be $12,500,000.00, the Town's General Benefit debenture borrowing power as of January 1st, 1964, (after taking into consideration the proposed debenture borrowing of $500,000.00 re past deficits) will be at $1,615,099.29, as follows:

Assessed Value of Rateable Property (est)	$12,500,000.00
Borrowing Limit - 20%	$ 2,500,000.00
Less - Debenture Debt, exclusive of Local Improvements portion - see (b) total attached	884,900.71
	$ 1,615,099.29

If the debentures are sold in regard to By-Laws 33 and 34/63 the borrowing power will be $1,370,099.29, as follows

Assessed Value of Rateable Property (est)	$12,500,000.00
Borrowing Limit - 20%	$ 2,500,000.00
Less - Debenture Debt, exclusive of Local Improvements portion - see (c) total attached	1,129,900.71
	$ 1,370,099.29

The Town's General Benefit debenture borrowing power as of January 1st, 1963, was $1,618,756.79.

Attached is a schedule of the Town's debenture debt as at October 31st, 1963. As all the 1963 debenture payments have now been made this debt will be unchanged as at December 31st, 1963.

	Owner's Share	Mun. Share Gen. Ben.	Total
Fire Hall	-	78,489.75	78,489.75
Town Hall	-	96,115.81	96,115.81
Streets	490,688.69	210,295.15	700,983.84
Water	729,684.32	-	729,684.32
Sewer	337,717.20	-	337,717.20
Current Debenture Debt (a)	1,558,090.21	384,900.71	1,942,990.92
Add - Proposed Debenture re: past deficits	-	500,000.00	500,000.00
(b)	1,558,090.21	884,900.71	2,442,990.92
Add - Debentures not yet sold. By-Laws 33, 34/63	415,000.00	245,000.00	660,000.00
(c)	1,973,090.21	1,129,900.71	3,102,990.92

ANOTHER SNOW JOB

In 1963 we lost our telephone identity and were integrated in an undemocratic way by the A.G.T. into the Edmonton telephone listings. As our readers will remember, we called this the first step to amalgamation with Edmonton. It seems that this first step was not enough in the eyes of the A.G.T. because a second step followed last week with A.G.T.'s decision to move their business office out

NEXT DOOR TO SAFEWAY

of our town next year. This second undemocratic move of the A.G.T. (undemocratic because although we are all shareholders of the A.G.T., we were not informed or consulted) means, in fact, that the St. Albert telephone subscribers have to drive to Edmonton to the A.G.T. head office to attend to any business. Councillor Fowler said "This looks like another snow job by A.G.T.", and we wholeheartedly agree. There is not much sympathy or respect for St. Albert by the A.G.T. It's time that our local M.L.A., Mr. Keith Everitt, made a sharp protest to the A.G.T., although we doubt very much if this would have any result. But at least the eyes of the general public should be opened to the fact that the methods used by the A.G.T. don't belong in a democratic Social Credit government, which claims to respect the rights of the individual or groups more than any other political party in Canada.

CO-OPERATION

Mayor Veness and the Chairmen of both School Boards have been in close contact during recent days to discuss matters regarding joint use of land, etc. We are very pleased that this contact came so soon after our town elections. If our school boards can find a way out of the Grandin Park (parkland) school site problem, we are sure that the majority of our citizens will be very grateful to those who took the initiative in this action. The important place that school boards hold in general town life, can only work to the benefit of all of us if these school boards continue this fine co-operation which has now started and which will be of great importance for St. Albert's future.
The investigation by the Public and Separate School Boards, in close co-operation with the town, for joint building of a swimming pool as an extension to one of the schools, is another promising step in the right direction.
St. Albert is on the right track. Both industrial and commercial development are on the march, due to the fact that so many residents are more and more convinced that only close co-operation between ourselves can be the basis for success. We thank all our citizens who helped to break the ice and we sincerely hope that it will stay open.

Tuesday Explorers 4:15 p.m. Session and Stewards 7:30 p.m.; Official Board 9:15

Wednesday Messengers 4:15 p.m.

Industrial Development

We are now getting a big $2,000,000.00 industrial plant in St. Albert which will automatically create an industrial area. Mr. Gee, Senior Administrator for the Town of St. Albert and Mr. Don Perry, a resident of our town, have prepared a survey regarding population, traffic, residential construction, etc, of St. Albert and District in order to attract even more industry. We are pleased to publish this report.

GENERAL FACTS RE TOWN OF ST. ALBERT:

POPULATION:	1959 Census	1,600
	1960 Spring Census	3,200
	1963 Spring Census	6,880
	Present estimated	8,000

Population increase in 1962 - an amazing 31%, higher than any other development in the Edmonton area.
The Municipal District of Sturgeon has a population of 20,000 people.
A survey of the neighboring districts in 1959 showed a population of 3,000 people who shop in St. Albert. The Provincial grant for that year was based on that figure. Since this survey was made, a Shoppers' Park has been completed which has 25 shopping units, including Alberta Government Liquor Vendors, thus increasing the outside shoppers by many thousands. Present plans are for an expansion of Shoppers' Park. All stores stay open from 9 a.m. to 9 p.m.

TRAFFIC CENSUS: 1959 - Entry to Town centre was 5,000 cars in 24 hours
1963 - May 25 - 8,400 cars.

This census point was beyond the road access to new residential and shopping areas, and thus excluded substantial local traffic.
A considerable number of people will be attracted from Westlock, Athabasca, Clyde, Legal, Morinville and Bon Accord to St. Albert's shopping centres.
Part of the St. Albert Trail is now a four lane highway. Within the Town, work is in progress on access roads to commercial centre and the understanding is that many access roads in to the Town will be completed. Main access from Grandin Park area to the South and also from Sturgeon Heights and Braeside to the East converge on the shopping centre.
2.9 miles of #2 Highway.....Paved and gravelled local roads and streets 30.3 miles.....Public lanes and alleys 3.2 miles..... Totalling 36.4 miles.

RESIDENTIAL CONSTRUCTION: Building permits for over 300 dwellings will be issued this year. Golden Construction have acquired over 900 acres on St. Albert's East boundary for a huge housing development.

ZONING: There are three major residential areas. No shopping centres are to be allowed in these areas. Provision for corner store development only and all developments to be located in centre of town and around civic centre. The shopping centre is in the commercial area opposite the civic centre.
Canadian Industrial Gas Limited (formerly Ajax Petroleums Limited) is presently operating to the N.E. of the Town. A half section of land on 142nd Street to the Northeast is zoned for industry and is in the process of promotion. St. Albert is within switching limits of the Dunvegan yards.

UTILITIES: Electricity is supplied on a franchise basis by Calgary Power Ltd. Gas is similarly supplied by Northwestern Utilities Ltd. The water supply which comes from the City of Edmonton is ample. No major adjustments are necessary to meet increasing demands. Present equipment can handle 10,000 consumers.

TAX SITUATION: All improvements on residential property are 100% prepaid, the Town will therefore not accumulate a large general benefits debt. The Town assessment has been increasing at the rate of about 2½ million a year. 1964 promises to be an exceptionally busy year for St. Albert. The advent of this $2,000,000.00 industrial plant on River Lot 54 is, we understand, creating a great deal of interest on the part of other industrialists to build in this area.

TAX STRUCTURE: 55 Mills on assessment at about 10,000,000. 32 Mills for Business Tax.

SEWER RATES:

Single Dwellings per month	$3.00 min.		Offices	$4.00 min.
Multiple Dwellings per unit	3.00		Garages	5.00
Stores	4.00		Hotels	75.00

Storm sewers constructed .6 miles.....Sanitary sewers 22 miles.....Water mains 24 miles.

WATER RATES: Minimum $4.00 for first 800 cu. ft. and 48¢ per 100 cu. ft. thereafter. Consumption rates in excess of minimum, as low as .24¢ per 100 cu. ft.

POWER RATES: Calgary Power is the supplier.
Minimum charge $2.50 for the first 20 kilowatts and 1½¢ per kilowatt thereafter.

GAS RATES: Northwestern Utilities is the supplier.
Minimum $3.00 for the first 20 therms and 3.5¢ per therm thereafter.

WATER SUPPLY: Source of water supply is from the City of Edmonton which comes to St. Albert's high pressure statio Fluoridation, storage and distribution is provided by the Town of St. Albert.

DISPOSAL OF SEWAGE: Lagoon system is used for disposal of sewage.

The advantages to industry establishing in St. Albert: Mill rate -- lower than in Edmonton; Price of land -- lower than in Edmonton; Water and Sewer combined -- favourable to that in Edmonton.

News from the TOWN Hall

ST. ALBERT 1963 PUBLIC WORKS PROGRAM

Mr. Jack Braden, the Town's Engineer, reports that the 1963 Public Works Program is practically completed, and gives the following details:

Foamed asphalt- 100% complete, curbs 100%, paving 90%, sidewalks 90%, boulevards 30%, tree holes are prepared for early spring planting.

From now to February 1964, the storm sewer projects will be carried out as a Winter Works Project, with a permenent crew of 8 men. During 1963, the Town has given employment to more than 60 men, all of them except for a few specialists, local men. Nearly all the equipment used was from local firms. At the moment, 20 men are employed by the town permanently.

Sturgeon Heights Stage 5 (127 lots) is closed to development. Council is preparing the necessary By-Laws for this. Application will be made to bring this development under the Winter Works Program.

RECREATION

The Recreation Grant can still be obtained by the Town up to March 31, 1964. Mayor Veness will call a public meeting as soon as possible so that the people of our town can express their opinions on how they'd like the $20,000. Grant used. Mayor Veness also informed us that some suggestions will probably be made during this meeting regarding St. Albert's 1967 Centennial project, which could be in the recreational field. If St. Albert's citizens are in favor of one or more recreation projects, a public vote will be held in February to authorize a Money By-Law for spending money on those projects chosen by the public.

HOSPITAL FOR ST. ALBERT & DISTRICT

On the initiative of Mr. Keith Everitt, our district M.L.A., a meeting was held between Town and Lions Club representatives from Legal, Morinville, Gibbons, County of Sturgeon and St. Albert. The topic of this meeting was "Do we need a hospital for St. Albert and District?" They unanimously agreed that it is necessary and that it is now time to start negotiations with the Department of Public Health. A committee of five was formed at this meeting to present a letter to the Minister of Health and to start the groundwork. Three of our local doctors who were present, Drs. Cuts, Skrobot and Stewart, were very pleased with the decision. The location of the hospital was not discussed, because first the committee would like to know if the government can agree in principle with the whole setup.

PARKS AND RECREATION DEPARTMENT

Operation of the Skating Rinks

The main rinks and buildings will be open officially November 25 from:

Monday through Thursday 3:30 pm to 9:30
Friday 3:30 pm to 10:30 pm
Saturday and Sunday 10:30 am to 10:30 pm

These main rinks are reserved primarily for: Organized games
Supervised hockey practices
Figure skating, etc.

Alongside each rink, the "Ice Platforms" are for free skating at all times. No sticks and pucks are allowed on them. Rinks and Ice Platforms may be closed when the weather does not permit skating (10 below zero, snowing, soft ice, etc)

"SEE YOUR MAYOR"

Why did St. Albert borrow so much money? Why isn't there more development downtown? Why don't we have a Recreation Director? etc, etc.

These and more questions are asked daily by our citizens, and we are glad to announce that in future you can get an answer to your questions directly from our Mayor. You only have to visit the Town Hall any Wednesday from 6 to 7:30 p.m., at which time Mayor Veness will be waiting in his office for your visit. If during this "See Your Mayor" session, there are any important 'general interest' questions, we will publish both question and answer in our paper in a special column called "See Your Mayor". We think that this question and answer period will be a great help to all our citizens, and we hope that as many as possible will use this purely democratic service. For those unable to attend this "See Your Mayor"session, write your questions directly to the Mayor and they will have a prompt reply.

TOWN OF ST. ST. ALBERT

PUBLIC NOTICE

It is the intention of the Town of St. Albert to give citizens of the Town an opportunity to discuss in private, matters concerning them, with the Mayor and any Councillors able to be present at a series of meetings.

Meetings will normally be held on Wednesday evenings between 6:00 and 7:30 P.M. in the Mayor's office, Town Hall. No appointments will be necessary and persons arriving to meet with the Mayor and Councillors will be received on a "first - come - first - served" basis.

Your first opportunity, will be on Wednesday, NOVEMBER 27th, 1963 All citizens are also reminded that they are welcome to attend meetings of Council which are scheduled for the second and fourth Monday of each month.

JAMES B. GEE,
Senior Administrative Officer,

November 18th, 1963

ST. ALBERT PARISH BAZAR

The St. Albert Parish will hold its Annual Bazaar Sunday, November 24th at 2:30 p.m. in the Parish Hall. All the church groups are participating in this event. Booths will be run by the Girl Guides, Young Christian Students, Catholic Youth Organization, Knights of Columbus and Altar Society. The sale will include home baking, aprons, potholders, fancy work, novelties, religious articles and trinkets for children. During the afternoon, tea will be served. The Knights of Columbus will hold a giant bingo in the evening. Also a feature of the evening will be the crowning of the "Bazaar Queen". Candidates are: Mrs. Richard LaFleur, Altar Society; Gilda Dionne, Grandin Club Y.C.O.; Madonne Roberge, C.Y.O.; Josie Wilson, Y.C.S. Items in the raffle are: a rocking chair, pole lamp, transistor radio, mix master, electric can opener, man's and ladies' watch.

The organizations taking part in the bazaar have been preparing for months and so it should prove well worth taking in. I've seen some of the sale articles and made notes on my Christmas list - "Do some of your shopping this Sunday and meet your friends at the St. Albert Parish Bazaar."

Under the instruction of Mrs. Cecile Martindale, centre, members of the Altar Society make baskets for their bazaar to be held Sunday, November 24th, in the Parish Hall. Left is Mrs. Louise Severson, and right Mrs. Rose Fraser.

are for the Brownie and Guide work in St. Albert. Help carry on this worthwhile work and enjoy some delicious goodies!

The Association would like to thank the women that did respond to the S.O.S. for leaders. Anyone else who would give their time to helping with Brownies or Guides, is urged to come forward as several packs could use help. Call Commissioner Mrs. Rossiter, 599-6320.

New members and interested visitors are invited to attend the Grandin Park UCW Unit's November meeting to be held Wednesday November 27, at the home of Mrs. R. Croskery, 53 Glenmore Crescent. The meeting, which begins at 8:15 p.m., will discuss the changing status of women, with particular reference to the employed married woman. Also at this meeting the executive for 1964 will be elected.

COMMUNITY CALENDAR:

Nov. 22, 23 TRIPOD at Paul Kane High School. The St. Albert on Sturgeon Players.

Nov. 24 St. Albert Parish Bazaar. 2:30 p.m. Parish Hall.

Nov. 27 'The Prisoner' at Sir Alexander Mackenzie School. St. Albert Film Society.

Rose of the Week

Receiving the 'rose' this week from Marline's Flowers is Mrs. Sadie Ross. Mrs. Ross is a long time resident of St. Albert and really needs no introduction. Anyone active in community affairs has surely met Mrs. Ross! Sadie's club work is not limited to one organization. She is active in the Altar Society of the Catholic Church. As a charter member of the Women's Institute, she has participated in the work of the Institute for 17 years. She is also active in the Marguerite d'Youville Auxiliary. For several years, Mrs. Ross has served in the Cancer Society, heading canvassing, and more recently, she was elected to head the Cancer Society's Education Committee for Northern Alberta. Also recently, Mrs. Ross was elected to the Public School Board, no mean task we all must realize!

Mrs. Ross has a family of six children and still manages to assist her husband Neil in his club and social activities. And so to Mrs. Sadie Ross, the 'Rose of the Week' and Thank You!

(If you know of a lady you would like to see receive the 'Rose of the Week', send her name and a brief outline of her community work to Box 596 or Box 1147, or drop it in the Gazette Box, 45 Sunset Blvd.

WHAT'S COOKING ?

We have 2 recipes this week, both eligible to win the 20 lb. turkey from Daves Meat Market.

"Your idea of sharing our favourite recipes appeals to me. I got out my file to list the fruits for my Christmas cakes this morning. The one I use was given to me by an old friend of my mother's from our days on the farm. It is not too rich and is very suitable for a family. It also keeps beautifully. I make two loaves, ripen them for at least a month wrapped in foil in a cool place. Then I use one and place the other, still wrapped, in my freezer, to be used for special occasions throughout the year. I still have some of last year's and it's nicer than ever!"

FAMILY FRUIT CAKE

1 lb. butter
1 lb. white sugar
1 lb. flour (all purpose)
10-12 eggs
2 lb. seeded raisins
1 lb. seedless raisins
1 lb. cherries
1 lb. mixed peel
½ lb. nuts (walnuts or pecans, chopped)
3 pineapple rounds
½ cup fruit juice, jelly or jam
1 tsp. ea. vanilla, lemon, almond
dash of assorted spices to taste

Cream butter and sugar, add beaten egg yolks and cream again. Have all fruit combined. Mix fruit into first mixture carefully, add fruit juice and/or jam, then add flour, stirring well, and spices. Add flavouring and last of all, fold in the stiffly beaten egg whites. Grease 2 - 9x5x2½ loaf pans, line with greased brown paper and greased wax paper. Bake at 300 F for about 3 hours.

Mary Usher.

Râgout de Boulettes

1 lb. fresh lean pork (ground)
½ lb. salt pork
1 small onion, minced
2 Tbsp. parsley
½ tsp. Powdered ginger
¼ tsp. cinnamon
¼ tsp. cloves
¼ tsp. dry mustard
2 slices white bread, cubed
½ cup milk
salt and pepper
3 Tbsp. shortening
3 cups of water
4 Tbsp. browned flour
½ cup water

Pass meat through grinder 3 times. Add onion, parsley, spices and mustard. Soak bread in milk and add to meat. Add salt and pepper and roll mixture into small balls in hands. Fry meatballs in fat and when all are browned, add 3 cups water, cover and boil gently for 30 minutes. Shake browned flour and ½ cup of water together in jar or blender. Add to meat ball mixture and cook while stirring until gravy is thickened slightly. Serve with boiled potatoes or cooked rice. When I serve this, a tossed salad adds color and completes the meal.

Cecile Martindale

Share your family's favourite recipe with our readers and perhaps win your Christmas turkey. Send recipes to Box 596 or 1147, or drop in the Gazette Box, 45 Sunset Blvd.

LIONS NEWS

LIONS LOOKING FOR LARGER 'DEN'

The St. Albert Lions Club has found that due to an increase in attendance, they have outgrown their 'Den' in the basement of the Community Hall. They are now looking for a new larger 'Den' and hope to find one soon.

Ladies Nite will be the next meeting, Tuesday, December 3, at the Club Nocombo The Lions Club assisted at the Friday night Children's Show at Sir Alexander Mackenzie School during October. They raised around $150. from this project. The members are making plans already for the District Convention to be held next June 17th, in Bozeman, Montana.

PUBLIC NOTICE

By the Board of Trustees of The St. Albert Protestant Sep. School District No. 6 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6 of the Province of Alberta, that the sum of Five Hundred & Twenty Five Thousand dollars should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in Twenty Five consecutive annual instalments with interest at the rate of not more than six per centum per annum for the following purposes, namely:

(a) Landscaping site at an estimated cost of $30,000.00

(b) Erecting a masonry and frame school to consist of 18 general classrooms, library, gymnasium, infirmary, audio visual room offices, storage rooms and auxiliary facilities at an estimated cost of $460,000.00

(c) Providing furniture and equipment at an estimated cost of 235,000.00

(d) To be located in the Grandin Park sub division, St. Albert.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the proprietary electors of the said School District for and against the said debenture loan is demanded as provided by The School Act, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Ronald H. Harvey
(Chairman)

Dear Sir,

I just wish to thank all those good neighbors who have cleared the sidewalks in front of their homes after the recent snowfall. This helps the unfortunate pedestrian, especially the ones pushing baby carriages, and in the interests of safety, keeps them off the roads and out of the way of the harassed drivers.

To those who are able bodied and have done nothing, I don't wish them harm, but I hope they realize that if someone slips and is injured, they are responsible.

Yours in the interests of cleared sidewalks and safe walking.

A. H. Ralphs.

Dear Sir,

Remembrance Day can only make sense if the ceremonies are conducted from beginning to end in a solemn manner. This was not the case this year in St. Albert The parade was well organized, the ceremonies at the cenotaph with the two speakers was very impressive(despite the 20 minute unnecessary delay,.

But I would ask why the following errors were made: first, the advertising for this day was very poor, hardly anyone in town knew that the cenotaph had been moved. Second, why was it necessary to wait till the last minute to advertise for a band? Third, why was the loudspeaker not used for the two speakers? Fourth, why wasn't coffee served after the parade instead of alcoholic drinks? Many citizens declined the Legion's invitation because of this. Fifth, why wasn't someone delegated to clean up all the empty boxes around the cenotaph which were still there Tuesday?

Organizing a Remembrance Day cannot be compared to organizing a bingo or dance. It should be worked out to the last detail by those responsible a long time ahead. Remembrance Day is a great opportunity for our local Legion to bring our community together with a common bond by remembering the dead in a most respectful way. I hope that our Legion will use its influence so that next year these errors will not happen again.

Eraeside Resident.

Dear Sir,

I would just like to correct an error that appeared in your last issue, November 14th, 1963.

It announced that the Local Authorities Board and the Separate School were investigating a swimming pool at the proposed addition to be built at the Sir George Simpson School. The actual facts are that the Public School Board and the Separate School Board got together to see if there was any advantage in costs to all the taxpayers in the Town if swimming pools were built below the schools. The both Boards felt that the idea had some merit and in principle it should be investigated.

The Boards then jointly approached the Town Council to get their views on this subject. After discussion the Council felt that the matter should be investigated in principle and it was passed unanimously. The Council appointed Mr. Gee to act in getting further facts and also to look into the legal angles as regards ownership of buildings and land. The Public Board and the Separate Board will also appoint a Trustee to work in conjunction with Mr. Gee in this joint effort.

The Town are investigating one large central swimming pool and then when all the costs are available can decide which is most beneficial and economical as regards smaller pools in various areas of the Community or one large central pool.

The Public School Board support us in this idea and our Board will certainly support their Board when, if the matter has any merit, they build a pool under any of their schools.

If the swimming pool idea under a school was proceeded with, it would be available at agreed times for all the children in the Town during school hours. After school hours it would be open to all members of the public.

This is only an idea at the moment and it might never materialize so no great deal of investigating has been done, but if it was feasible and economical then a great deal of further study would be required as regards operation, maintenance and costs, etc.

Yours truly,
Ronald H. Harvey
Chairman, St. Albert
